

Life Global UK -Update August 2017

Life Global UK, a UK registered charity had a launch event on May 24 2017, in an event called 'Change a Life' held at Navnat Centre, Printing House Lane, Hayes, Middlesex UB3 1AR.

The trustees of Life Global UK are Bina Mayur Sanghvi, Bhogilal Sanghvi, Ramesh Shah, Meetal Koticha Shah, Kirit Vassa.

The event was supported by our Chief Patron CB Patel, special guest Lord Dolar Popat, president of Navnat Vanik Association, Dhirubhai Galani, President of Oshwal Association, Tusharbhai Shah, president of Lohana community Urmilaben Thaker, to name a few. A special thank you to CB Patel, for his invaluable assistance with respect to this launch, continuous and unflinching support for our partner charity Life Rajkot.

The evening was extremely well attended and supported. The catering was assisted by the ladies of Bhagini under the leadership of Mrs Renuben Mehta, we are very grateful for this. The raffle collecting surpassed our expectation and a special thanks to Mrs Vanita Patel MBE for organising this. Thank you to Anita Kamdar and her young helpers with the donation tables and the collection process. Bina Mistry assisted with all media/music related items for the evening including coordinating our televised event on Zee TV and indeed anchored the evening with Mayoor Patel. Bina and Mayoor, thank you.

Life Global UK to date has raised enough funds to build a primary school in rural Gujarat, scholarship for sixty primary school children and sponsorship of seventy-five 'below the poverty line' women to teach them skills through Project Life's Women Empowerment Training Programme. We are extremely grateful to all those who donated whether that was money or time, without your support our target and our event could not have been achieved.

Our partner charity Project 'Life' founded the Life Education Centre in 2001 In conjunction with the Ministry of Education in Gujarat state, the Centre identifies schools in rural, interior Gujarat in need of repair and modernisation and transforms the existing infrastructure into new, state-of-the-art primary schools.

Project 'Life', Rajkot founded the Life Women Empowerment Centre in 2008. The Centre strives to contribute towards improving human and social capital with economic freedom for women.

The partner charity Life Rajkot has been busy in the last few months to identify an area to build the school. The process has been a little slow due to the heavy rains in the Gujarat region but we hope to come back with news soon on both the school and the women empowerment training programme.

As always Life Global UK's work continues and we will circulate details of the next event, we hope you are able to come along and support us.

We were delighted and humbled with the support on 24th May 2017 and inspired to do greater things in the future. Thank you.

Life global Trustee have agreed to have school in Dhoraji as below

It will have 10 Classes and Big playground and more than 125 Student including boys and girls will study.

There will separate toilet facility for boys and girls.

Proposed model of Life Global UK School, Patanav Vilage, Dhoraji, Rajkot
